YOU TALKED THE TALK AND WALKED THE WALK IN 2016

We stand amazed and thankful for the body of believers in our area, with 135 registered walkers, 38 participating churches and \$31,799.00 in pledges and donations.

Because of you, approximately 200 women and families coming to our Center this year will have an opportunity to hear about LIFE.....LIFE for their unborn children and LIFE through knowing Jesus Christ. You are very special to us and to those women who will receive loving care and free services in the name of Jesus! We truly love you and thank you for your stand to not only talk the talk but Walk the Walk!

Employment Opportunity: Nurse Manager

Our mission is clear. We offer compassionate and exceptional service to those facing unplanned pregnancies and stand in the gap between a woman's crisis pregnancy and the choice of abortion. Maybe this is the kind of person you are...one who wants to make a real difference, or maybe you know someone who would be a good fit for this position.

Life Choice Center is currently accepting applications for a registered nurse to serve as the center's Nurse Manager. This is currently a part-time position but hours are negotiable, and full time may be an option.

Our current Nurse Manager, Angie Preston, has taken a job as the school nurse in the Adrian school district. This job fits well into her family's busy schedule. Regarding her 10 years here, Angie says, "*It has been my honor to work at Life Choice. The caring and compassionate atmosphere is enjoyed by both clients and staff*".
